About the tool

Mobility Tool is the system for the management of mobility projects that received an EU grant under the Lifelong Learning and Erasmus+ programmes. The Tool is developed by the European Commission for you, as beneficiaries of these projects.

In the Mobility Tool you will be able to provide all the information on your projects, identify participants and mobilities, complete and update budget information, generate and follow-up participant reports and generate and submit your own report(s) to your National Agency.

Click on the project number.
