Erasmus Plan

Objetivos

The following is the list of your Erasmus Plan objectives and your estimated yearly activity targets. Please consider these objectives carefully when requesting your activities in the next section. Above all, you should make sure that the activities you request can contribute to achieving your Erasmus Plan objectives - this will be one of the key measures for evaluating your activities once they are finished.

Objetivos 1: Rafforzare il processo di internazionalizzazione dell'Istituto tramite una maggiore partecipazione a programmi europei di cooperazione.

Objetivos 2: Migliorare la gestione del percorso formativo degli alunni tramite l'attivazione di nuove attività laboratoriali e di Work Based Learning, per potenziare l'apprendimento on the job.

Objetivos 3: Potenziare le competenze progettuali, linguistiche e digitali del personale amministrativo ATA, organizzando delle attività di mobilità all'estero con cadenza annuale.

Objetivos 4: Sviluppare una didattica inclusiva e multiculturale per rispondere alle necessità dell'utenza dell'Istituto.

Objetivos 5: Potenziare la rete di contatti con imprese, enti e associazioni del territorio per attivare percorsi formativi per lo sviluppo delle soft-skills e delle life-skills.

Objetivos 6: Incrementare i livelli di inclusione dentro e fuori la classe, migliorando le condizioni di apprendimento e vivibilità del contesto scolastico da parte di tutti gli alunni.

Actividades planificadas

The following table shows your estimated yearly targets for number of participants.

These yearly activity targets are not obligatory. You will not be penalised if you request fewer activities than originally planned according to the table below. Working on your Erasmus
