

TRANSNATIONAL COOPERATION ACTIVITY

Strategic Partnership: Innovation in Education

21st to 25th November – Bucharest, Romania

Type of event:

Contact Seminar

Working language:

English

Number of Spanish participants:

1 participant from the field of Adult Education

Profile of participants:

Adult Education practitioners who are interested in implementing cross-sectorial partnerships and submit good quality applications focussed on Innovation in Education (Erasmus+: KA204 Strategic Partnerships).

Themes and goals of the event:

“Strategic Partnerships Plus” is a three-day event aiming to develop viable cross-sectorial Strategic Partnerships in order to be submitted under Key Action 2 (for the future 2018 deadlines). The event is designed as a training course on how to write a successful application combined with elements of a classic contact making seminar. The event will gather representatives from schools, VET organisations, universities, public institutions and public authorities, youth associations, NGOs, companies, etc. The event aims to have an integrated approach in order to maximize the strength of all fields (schools, formal education, non-formal learning through youth work and adult learning or vocational training).

The thematic focus will be innovation in education in Europe and how to approach this need in strategic partnership projects. Erasmus+ frame offers both the opportunity and the appropriate tools to create change in the learning process.

More about Innovation in education from the perspective of the OECD - Organisation for Economic Co-operation and Development :

http://www.oecd.org/edu/cei/IS%20Project_Brochure_2016_FINAL.pdf

Expected results:

- To create a space for developing partnerships able to submit good quality applications and implement effectively cross-sectorial Strategic Partnerships.
- To provide the necessary information and skills to understand and implement such partnerships.

- To provide a space for sharing knowledge and experiences between organizations involved in all types of learning activities.

The event will place the participants in the centre of the learning process through interactive methods while focusing on the understanding of the concepts and specifics of working in international projects. A mix of training, workshops, facilitated discussions will be used while the work results will be presented in the plenary sessions. The activities will be led by experienced facilitators with a broad understanding of the learning process and strategic partnerships under Erasmus+.

Cost:

Event fee: The event fee will be covered by the hosting national agency.

Travel costs: SEPIE will contribute to the travel costs based on the table provided for TCAs. This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for accommodation and meals not included in the activity programme: SEPIE will contribute to these costs based on the table provided for TCAs. This financial support (up to 2 travel days) will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for participants with special needs: Applicants with special needs might apply for a reimbursement based on real costs. The reimbursement based on real costs will be granted only if it is clearly justified and requested in the application form, and once approved by the national agency (SEPIE). This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website). By choosing this option, the participant will renounce to a reimbursement based on unit costs.
