

TRANSNATIONAL COOPERATION ACTIVITY

Mastering fundamental learning at the end of primary school

January 28-31, 2019

Poitiers - France

Type of event:

Study visit

Working language:

English

Number of Spanish participants: 2 participants from the field of School Education

Profile of participants: Inspectors, school leaders, representatives of education administration.

Themes and goals of the event:

Primary school (3 -11 years old) emphasizes the acquisition of fundamental knowledge: reading, writing, counting, respecting others. It's the condition of a successful schooling and the key point to educate active and free citizens.

The following issues would be presented and debated:

- What strategy for the primary schools?
- What steering system?
- Which means and tools ?
- What pedagogy?

The participants should be interested in exchanging and developing good practices, methods, materials, tools, pedagogical approaches and/or ways of working in this specific field. Participants would also get information on Erasmus+ opportunities of cooperation.

The study visit includes:

- expert presentations;
- Study visits to educational sights in the Poitiers area;
- joint discussions and workshops;
- Erasmus+ information.

Expected results:

- Sharing experiences, practices and educational policies with other specialists from all over Europe on the topic.
- Meeting projects, experts and participate actively to workshops in order to enrich practices.
- Discovering Erasmus + opportunities to go further at European level.

Cost:

Meals and accommodation: Meals and accommodation during the Seminar will be covered by the NA agency and it will cover accommodation and meals during the seminar except dinner on the 29th).
