

Exchanging assessment experience of experts on accreditation proposals

Date: Between 13 and 15 June 2022

Place: Odense, Denmark

Type of event: Transnational thematic activities linked to the objectives, priority target groups and themes of the Programme.

Working language: English

Number of Spanish participants (SCH): 2

Profile of participants:

Experts who reviewed Erasmus+ accreditation applications
NA staff who reviewed Erasmus+ accreditation applications

Themes and goals of the event:

The TCA is a part of the LTA Accreditation and is a next step after the TCA from last year organised by Hungary. A peer learning event for assessors and NA staff assessing accreditation applications to discuss their experience and dilemmas regarding Erasmus Accreditation applications. The TCA aims at reaching a common ground on how to assess Erasmus Accreditation applications with experiences and lessons learned from the past calls as a starting point. If there is information available, a first discussion on how to assess reports from accredited organisations will be included. The majority of the activities are workshops with and in addition to that, there will be a Keynote speaker.

Expected results:

Identification of where the assessors rate the KA120 applications differently and in addition .
Reaching a common understanding on how to assess accreditation applications (KA120).
