[wouter.kerkhove@vdab.be](mailto:wouter.kerkhove@vdab.be)

Aan	Ref	Contact Persons	Brussels
Members WG	EP_2_1_3	Catarina Oliveira (Host), Wouter Kerkhove, Frazer Wallace (Chairs)	27/04/2015

### Agenda: WG meeting at NEC Portugal in Lisbon 18-19/05

To be confirmed

09:30 Registration

10:00 Welcome (Catarina Oliveira)

#### 10:15 Support to Cedefop's interoperability campaign

- Update on the actions undertaken by Cedefop to date, and feedback
- Round table discussion: what have NECS done to promote interoperability
- Discussion: possible future feasible actions to promote and strengthen interoperability
- Proposal for discussion: Interoperability competition for young IT students and graduates.

#### Expected meeting outcomes after this topic:

- Feasible actions integrated in a clear timeline to promote interoperability throughout the NEC network and towards interesting organisations (employers, HR networks, government)
- Decision if it is worth to explore the IT interoperability competition

12:30 Lunch

#### 13:30 Europass Mobile application

- Summary: outcomes from previous meetings
- Round table: good mobile applications examples
- Decision: what will we develop in 2016
- Project management timeline

#### Expected meeting outcomes after this topic:

- A clear idea what we want to develop
- A first draft for the project concept note
- Timeline and division of task in function of the autumn WG meeting

### 15:30 Europass 2020 innovation paper

- Presentation: Preliminary ideas for the drafting of an evidence based future innovation paper for Europass - what should inform the paper, and what technologies should we explore? - *Franzer*
- Idea proposal discussion

#### Expected meeting outcomes after this topic :

- General opinion of the WG regarding this topic
- Input of the WG regarding this topic
- Possible commitment of persons who want to be actively involved in researching and co-drafting this paper.

### 16:00-16:30 End of day one

### 10:00 Europass2spreadsheet and the Europass Comparison tool

- Updates from Cedefop and from actions undertaken by NEC's (Promotion materials in Flanders and the CV select application from the Netherlands)
- Inspiration; jobkitten.com
- Round table and discussion: how to take concrete actions to promote this tool

#### Expected meeting outcomes after this topic:

- Feasible actions integrated in a clear timeline and elaborated division of tasks for the promotion of the Europass2spreadsheet tool
- Decision on how to collect and analyse feedback, standardise the procedure
- Timeline of next steps in the development of the Europass2spreadsheet in a CV comparison tool

### 12:30 Any other business

- Natural change in scope and objectives of the working group: new name needed
- Updates of other Europass fora

### 13:00 End of the meeting

- Centro Nacional Europass/Erasmus+ NA is situated at Praça de Alvalade Nº 12, 1749-070 Lisboa, in front of the metro station Alvalade.
- You can get there from the airport by taking the metro in direction to Alameda (red line) and then take other metro in direction to Telheiras (green line). You need to leave the station on Alvalade - <http://metro.transporteslisboa.pt/informacao/planear-a-viagem/diagrama/>
