

TRANSNATIONAL COOPERATION ACTIVITY

ATTRACTIVE VET FOR PREVENTING SCHOOL DROPOUTS

December 2-6, 2019

Brasov, Romania

Type of event:

Transnational training, support and contact seminars of potential programme participants.

Working language:

English

Number of Spanish participants: 2 participants in the field of VET.

Profile of participants:

- VET institutions interested in preventing and reducing early school leaving in VET sector.
- Representatives of local, regional and national authorities;
- School inspectors and advisers in VET;
- Directors of education centres or providers;
- Directors of guidance centres;
- Head teachers, teacher trainers in VET;
- Heads of departments;
- School psychologists and counsellors;
- Pedagogical or guidance advisers;
- Representatives of educational services;

Themes and goals of the event: the main aims of this study visit are to promote joint cooperation between specialists in the field of VET education, to share experiences about projects, practices and educational policies in this area and, to promote an effective exchange of practices with other European VET practitioners

Expected results:

The participants will learn/ discuss about:

- National/regional/local policies in VET education.
- The role and place of ECVET in increasing the attractiveness of VET.
- Examples of local practices focused on: enhancing the quality of VET by improving the quality and skills of the human resources; ensuring the integration of key competences in the VET curriculum and developing appropriate assessment methods; the role of Erasmus + mobilities in increasing the attractiveness of VET;
- To share practices and provide monitoring on ongoing projects focusing on Early School Leaving and University dropout as social inclusion impediments.

Cost: The Romanian National Agency covers the cost of accommodation in a single room, all planned meals, and participation in all the events for the seminar.

Support for accommodation and meals not included in the activity programme: SEPIE will contribute to the travel costs based on the table provided for TCAs as well as one more accommodation night and one more meal if required. This financial support will be paid directly to the selected organization by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for participants with special needs: Applicants with special needs might apply for a reimbursement based on real costs. The reimbursement based on real costs will be granted only if it is clearly justified and requested in the application form, and once approved by the national agency (SEPIE). This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website). By choosing this option, the participant will renounce to a reimbursement based on unit costs.
