

MANAGEMENT, LEADERSHIP AND COOPERATION IN SECONDARY EDUCATION (GENERAL EDUCATION AND VET)

7th-11th December | Helsinki, Finland

Where: The visit begins with a joint opening seminar in CIMO (in Helsinki) on Monday 7th December. The seminar will provide the participants with basic overview on the Finnish education system as orientation for the week. After the joint seminar two separate groups (max 20 participants per group) will continue their journey to 2 different locations: to Turku and to Jyväskylä. The transportation is by bus and is organized by the hosts.

Visit locations: Turku and Jyväskylä, Finland

INTRODUCTION

The heads of the educational establishments and other relevant decision makers on national, regional and local level play a central role in the development of education and training in the changing world taking into account the national needs, internationalisation, globalisation and increasing multiculturalism. The TCA provides an opportunity for these important target groups to meet for a week of intensive learning to benchmark, share good practices and promote dialogue on EU level on topical issues in educational leadership. The focus is on peer learning. In addition it facilitates planning of new sectoral or cross sectoral KA2 projects in the Erasmus+ programme on the theme of the visit. The visit structure follows the LLP study visit principles.

TARGET GROUP

- Directors of education in general and vocational training institutions, centres or providers,
- Head teachers, teacher trainers,
- Heads of departments.

SELECTION

Interested participants need to provide the application, CV and a motivation letter (as part of the application or enclosed).

Unidad de Formación Profesional

OBJECTIVES

The participants will learn about:

- Regional / national cooperation between educational organisations / levels / colleges
- Management, leadership and pedagogical development in secondary education (general education and VET)
- Shared management and leadership (team work, steering groups, shared knowledge, peer learning et c)
- Leadership and quality management
- International competence of staff
- Legislation and Finances
